Capixaba tipo exportação

O Mahnimal volta à Europa para representar o Brasil em festival e anuncia CD e DVD de suas turnês

MELISSA KÖNSCH

Há pouco mais de um mês os integrantes do Mahnimal voltaram de uma turnê de 40 dias pela Europa, onde se apresentaram em importantes eventos, como o famoso festival de música que acontece em Montreux, na Suíça, e o London Calling, na Inglaterra. A banda mal pisou em solo capixaba e os contatos para novas apresentações no Velho Continente começaram. O resultado? O Mahnimal parte hoje para uma temporada de shows de nove dias em cidades alemãs e em Verona, na Itália.

Segundo Edu Louzada, empresário da banda, o reconhecimento no exterior se deve aos trabalhos de divulgação da cultura de rock com congo que começaram em 1998. "A gente foi praticamente semana, para um único show em Portugal. A apresentação foi um sucesso, vendemos os 300 CDs que levamos na mala e ainda fomos mais 34 dias lá. Depois voltamos em 99 e desde 2004 fomos todos os anos", aplica Edu.

O motivo da volta à Europa é representar o Brasil na Rockkomm 2007, importante feira de música que acontece em Düsseldorf, na Alemanha. Eles também serão destaque em um setor sobre música brasileira "tipo exportação", onde todos para músicos e produtores culturais de várias partes do mundo.

Eles ainda se apresentam em Bamberg, na região da Bavária, e fecham a turnê na romântica Verona, na Itália.

Na turnê que se iniciou no fim de junho e terminou em agosto, eles passaram por várias cidades, o que rendeu, além de bons contatos, registros ao vivo que em breve poderão ser conhecidos pelos capixabas.

No Festival de Montreux, eles gravaram um CD ao vivo que está em fase de mixagem e deve ser lançado até o fim deste ano. Em Wetter, na Alemanha, eles registraram o show, que poderá virar um DVD ao vivo.

O próximo trabalho do Mahnimal, só com músicas inéditas, está também em fase de produção. Experiências trocadas com músicos de outros países, como do Marrocos e da França, também poderão ser sentidas neste novo trabalho, ainda sem data para lançamento.

Outro fruto dessas incursões no continente europeu é a realização do festival L'Esprit Poitou, la Nouvelle Musique Brésiliene et Française em 2008. Trata-se do intercâmbio musical entre a região de Poitou Charentes, na França, e o Espírito Santo.

O objetivo da associação francesa Patakara e o capixaba Instituto Quorum é trabalhar em parceria com as escolas de músicas e os centros culturais da região de Poitou Charentes para desenvolver trabalhos com menores carentes de Vitória.

Pushing Frontiers

The BM&A (Brasil Música & Artes), is a non-profit organization, set up in July 2001 with the objective of encouraging and organizing the promotion of Brazilian music abroad, working with artists, record companies, distributors, exporters, collection societies and cultural entities. It carries out activities on behalf of the whole sector, including organizing seminars, and workshops, carrying out international market studies and trade fairs, and promotion (media, promotional material, the site www.bmatools.com, international showcases, and partnerships with foreign institutions, etc).

Brazilian participation at Womex and Popkomm has been a long-term responsibility of the BM&A. For the 2007 edition of Popkomm, there will be a Brazilian night featuring shows by Beatriz Azevedo, Lanny Gordin, Mahnimal, Dona Zefinha and Stereo Maracanã. At Womex, Brazil will be represented by Yamandú Costa and Siba. The BM&A will also distribute a double promo CD featuring some of the new (and not so new) Brazilian artists such as Bruna Caram, Siba, Beatriz Azevedo, J. Veloso, Yamandú Costa, Lanny Gordin, Dona Zefinha, Sonic Jr, Madame Mim, Axial, MQN, Debate, Fat Marley and Roberto Corrêa.

The BM&A is also working with Gracenote and All Music Guide to expand the profile of Brazilian music. "Our intention is to have the option of categorizing our music

The BM&A is focused on bringing Brazilian music to audiences abroad

BM&A manager David McLoughlin: creating projects to promote Brazilian music

as Brazilian and not just world music or Latin, which is very limiting. We'll also be supplying AllMusic Guide with a monthly shipment of the new releases as well as release info and bios written by local journalists," informs manager David McLoughlin.

„The Vagrants“: Der Name beschreibt eine Person ohne feste Wohnsitz, immer auf der Wanderschaft, einen Vagabunden. Und genau das sind „The Vagrants“. Auch wenn alle Bandmitglieder feste Wohnsitz haben, so beschreibt der Name doch ihr Leben.

herrschaften „The Vagrants“ präsentieren Eigenkompositionen aus dem weiten Feld des Rock mit vielen stilistischen Einflüssen – rau, ungehobelt, ursprünglich, aber doch perfekt im Umgang mit Instrument und Stimme.

„Rags Again“ ist die musikalische Verbindung von „New-York-Charity“ und „Berlin-Gaby“. Das Repertoire mit Songs von Cat Stevens, Pink Floyd, Moody Blues und letho Tull wird nun unter anderem durch musikalische Perlen von Tracy Chapman und Simon & Garfunkel ergänzt. Gaby's wundlungsfähige Stimme unterstützt perfekt Charly's sanften Gesang, viele zweistimmige Parts werden möglich und das Programm ist vielseitig und unterhaltsam wie nie.

KONZERTE Was geht in der Clubsszene ab?

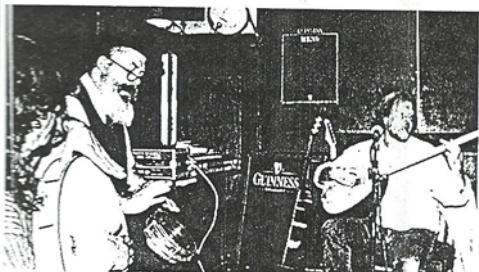

WICHENEND-REDAKTIONSMITGLIED PETRA MAYER

Bamberg - Zwar haben sich die Betreiber des SubOptimal und des Club Kaulberg noch nicht aus den Ferien zurückgemeldet. Aber Torsten Goods Quartet stimmt morgen im Jazzkeller auf die neue Saison ein - und auch an anderer Stelle der Stadt wird angesichts diverser Musikevents deutlich: Das Sommerloch ist Geschichte.

Beispielsweise hebt sich heute ab 21 Uhr im Sound 'n' Arts der Vorhang für Cannonball Matze. Morgen treten an gleicher Stelle Mahnimal ins Rampenlicht: Brasiliens Top-Act zwischen Pop, Reggae und Rock spielt ab 21 Uhr in der Oberen Sandstraße 20 im Vorfeld der Popkomm, wo die Musiker als Vertreter ihres Landes erwartet werden.

Rags Again nennt sich die klingende Verbindung von New York (Charly) und Berlin (Gabby), die heute in der Blues Bar zu erleben ist. Songs von Cat Stevens, Pink Floyd, Moody Blues und Jethro Tull ruft das Gespann in Erinnerung. Deutsche Oldies und Irish Folk aus vier Jahrzehnten spielen Süßsauer (Bernd Hack & Maja) morgen ab 21 Uhr in der Blues Bar. Eine Session mit Wolfgang Barthel steigt am Sonntagabend zur gleichen Zeit an gleicher Stelle.

Im Morph Club drehen sich heute im Zeichen der Funky Safari ab 23 Uhr die Plattenteller. Blockrockin Beats mit Fischer und Skamrahl stehen morgen an der Siechenstraße auf dem Programm. Soweit ein kurzer Vorgeschmack aufs Wochenende, das noch mehr zu bieten hat.

LAWFIRM | MURKIN | KELLY

Kennen gelernt haben sich Joly de Lam und Anne auf die Tanzfläche einer Party „Schlaf!“ ganz egal. Glück war es mit Sicherheit, denn die Liebe zur Musik brachte den beiden Ladies an die Plattensteine. Das Projekt 2 Elements war geboren. Am Anfang liegen Sie eher regional auf, aber schnell war klar, dass dieser Sound braucht nicht nur Tänzer... Ihr unverwechselbarer Stil von glamourösen, tiefen Basssoundz und knalligen Electroboots gespart mit potentiellen Hits, ist den beiden Dames wie auf den Decks aufgemacht. Kurze Zeit später wurde der Vertrag unterschrieben. Jetzt heißt es als Maßstab setzen und die Musik noch mehr in sich aufzufassen. Nicht nur eng, 2Elements macht nach außen keinen Kompromiss, sondern auch sich mittels eigener Ideen und Produktions zu entwickeln, zu etablieren und deren Ganzes die besondere Note zu verleihen. Ihr Remodebut geben sie für Avex!! Watch The Sunrise!! gefolgt von Remix für Stellar Angels 3 und das zweite S. Supremode - Airport am 10., wo die beiden Dames bereits zum dritten Mal auf

Ouverture en musique au Lion d'or

Antoine Violette, réalisateur et metteur en scène, habite Mougon. C'est tout à fait par hasard qu'il a repris le café du « Lion d'or », qui était tenu auparavant par Michèle Meyrand. Ouvert depuis le 21 juin, ce magnifique emplacement stratégique dans le bourg de Celles devrait, au fil du temps, regagner en beauté, ouverte et hospitalité. Bref, vivre, simplement.

Antoine a beaucoup voyagé et a des attaches particulières avec le Brésil et l'Argentine. Il s'est associé avec Josette Brothier, originaire de Celles, et Delphine Gouret, de La Rochelle, dans cette reprise, et également en créant l'association « Patakapara », dont Josette est la présidente.

« Cette association, domiciliée à la mairie de Celles, a pour objectif de développer les rapports et échanges culturels et artistiques entre la France et le Brésil », souligne Antoine.

Ainsi, le Lion d'or va devenir un espace musical, de diffusion de films documentaires et de vidéo. Pour identifier ce départ, Antoine Violette inaugure le café ce samedi 7 juillet, à 18 h, et lance la première exposition de

peinture avec son ami Mario Duran, humanitaire sans frontières, membre d'honneur de Médecins sans frontières et cofondateur de Médecins du monde. Malheureusement, Mario Duran vient de s'éteindre en Argentine à l'âge de 75 ans.

Cette exposition est un hommage à ce médecin-artiste qu'Antoine Violette ne manquera pas de présenter. Les Cellois sont donc invités à ce rendez-vous. Et puis, également, rendez-vous mercredi 11 juillet à l'abbaye royale pour un concert organisé par l'association Patakapara : 21 h, Big band cellois et 22 h 30, « Mahnimal » groupe brésilien en résidence chez Antoine. Entrée : participation minimale de soutien de 2 € ou plus à l'association.

Café-bar « Le lion d'or », 2 rue des Halles 79370 Celles-sur-Belle, ouvert du mardi au vendredi de 8 h à 20 h, samedi et dimanche à partir de 8 h, horaires souples en soirée.

Mahnimal no Festival de Montreaux

A banda capixaba parte amanhã para uma turnê de 40 dias na Europa, onde participa de vários festivais

MELISSA KINSCH

A banda capixaba Mahnimal parte amanhã para sua quinta temporada de shows no verão europeu com uma apresentação confirmada no tradicional Montreux Jazz Festival, em sua 41ª edição. A banda se apresenta na Suíça no dia 14 de julho.

Alexandre Lima, Queiroz e Ronaldo Rosman, mais os músicos convidados Vaguinho, Castanha e Léo Caetano se apresentam na noite dedicada ao Brasil no foyer da sala Stravinsk. Após a apresentação, a banda recebe no palco o pernambucano Alceu Valença e o grupo Olo-dum para uma festa brasileira em território suíço.

A primeira parada da banda será em Londres, Inglaterra, onde fará duas apresentações na London Calling, a maior feira de música do Reino Unido. O primeiro show será na pró-

xima quarta-feira, quando o Mahnimal participará da festa de abertura no Westbourne Studios, localizado no charmoso bairro de Notting Hill.

A outra participação na feira será no dia 29, sexta-feira. Eles fazem um showcase para os delegados e expositores dos 60 países participantes da feira no The Troubadour Club.

Os europeus também vão conhecer dois trabalhos da banda já bem conhecidos dos capixabas. A gravadora espanhola Discmedi vai lançar o CD/DVD "Mahnimal ao Vivo" e o CD "Espírito Congo".

Além do Reino Unido, Suíça e Espanha, o Mahnimal também fará shows na Alemanha, Áustria e França. A princípio os músicos ficarão 40 dias no Velho Continente, mas novos pedidos de shows já chegam ao empresário da banda, Edu Louzada, o que pode expandir a temporada por lá.

Direção

O Mahnimal, agora com três integrantes, vai começar sua temporada europeia pela Inglaterra

Mahnimal kommen aus dem Südosten Brasiliens und präsentieren eine explosive Mischung aus Pop, Funk, Reggae, Samba, Rock und traditioneller brasilianischer Musikkultur. Rockcongo nennt das Quintett aus Espírito Santo seinen ungewöhnlichen Musikstil. Zwei Perkussionisten schießen ein wahres Rhythmusfeuerwerk ab. Gitarre, Bass, Gesang und Soundeffekte entfachen zusätzlich eine unglaubliche Dynamik. Mahnimal integrieren gekonnt lateinamerikanische und karibische Musikkultur in die moderne Popwelt.
